Town Council

The regular monthly meeting of the town council was held in the council chamber, Gould's block, on Wednesday evening. The mayor and all the councillors were present.

The minutes of last meeting were read and approved. Outward correspondence was read.

Inward correspondence was then read from:

O'Brien & Forbes re Conrad Knapp's fire extinguisher.

W. O. McKelvie re fire engine. Columbia River Lumber Co. re telephone posts; giving prices, which was left with the fire, water and light committee.

Fulmar, secretary of Red Deer, re assessing banks. M. E. O'Brien re the condition of the street near his house.

O'Brien & Forbes, asking the date of the expiration of hotel license.

F. P. Haspel, asking permission to run his jewelry wheel in town. The secretary was instructed to write O'Brien & Forbes informing them that as Mr. Knapp did not pay the extinguisher from the town, there was no refund due.

West-Gould—That the secretary write Mr. McKelvie instructing him to come and receive the fire engine as per agreement; that the town had not yet accepted the engine, nor would not until it was satisfactorily tested.—Carried.

Re Mr. Haspel's letter, Mayor Dickson said that the by-laws covered the case, and it was a question of a special by-law. It was then moved by McEachern—McKay—that if the by-laws remain as they are, and that Mr. Haspel wishes to run his machine, he must comply with them.—Carried.

A petition from a number of residents asking for a bridge across East Stanley st. and a petition to have East Railway st. repaired, were held over until the next meeting on motion of West—Farris.

Coun. West, as chairman of the finance committee, then recommended the payment of the following accounts:

Thos. Torson.....	\$21.00
Constable Robertson.....	40.00
Telegram.....	60
J. R. Willows, stationery.....	1.75

Coun. McEachern, as chairman of the public works committee presented the following petitions for sidewalks under the frontage assessment by-law:

On north side of Pearce st. in front of blocks 18 and 48 (past H. A. Johnson's and J. Y. Byers') a 4-ft. walk.

On west side Railway st. in front of block 27 and lots 1 to 7 in block 28 (past A. S. Rosenrol & Co.'s lumber yard and south) a 4-ft. walk.

On south side Dickson st. in front of block 14, plan 32 and on the west side of Beatrice st. in front of block 15, plan 34, Wetaskiwin extension, 4 feet wide.

On north side Stanley st. in front of block 1 (past Thos. Torson's) 4 feet wide.

On the south side Lorne st. in front of blocks 18 and 48, (past J. W. Heric's house) also on the west side of Alberta st. past E. T. Jacobs and H. A. Johnson's, 4 feet wide.

Coun. West vigorously protested against the granting of the petition for west side Alberta st., as he thought Mr. Jacobs could easily go north to Lorne st. and Mr. Johnson had a walk on the south; he thought enough money had been expended there already.

Mr. Heric, who was present, pointed out that it would be a great convenience to have the walk there, and that as the petition had been properly signed, the request should be granted.

This did not satisfy Coun. West,

however, who made a motion, which was seconded by Coun. Schmidt, that the petition be not granted. This motion was defeated on the following division: Yea, Couns. West and Schmidt. Nay, Couns. McEachern, Farris and Gould.

On west side McDonald st. (past the public school) to Mrs. Hackell's corner, on the south side Hammond st. (past the school teachers) on the west side of Rosenrol st. in front of lots 21 to 15 in block 13, and in front of lots 1 to 7 in block B, Wetaskiwin extension, 4 feet wide.

On the north side Lorne st. in front of blocks 12 and 38 and on east side Miquelon st. along lots 29 and 1, in block 38 (from the Wetaskiwin hotel to the Scandinavian Presbyterian church) 4 feet wide.

The above petitions were all granted.

A committee from the band, consisting of Messrs. Alf. Sebastian, Geo. Mannus, R. Barley and H. J. Montgomery, waited on the council. Spokesman Sebastian stated that they wished to be engaged to give weekly concerts for 15 weeks at \$10 a night. The band was under considerable expense in equipping themselves for winning the laurels at Calgary, but so far they got along without any financial aid from the council. The band proposed to pay the leader \$100 annually, and if they are aided by the council will give monthly statements, showing the expenditure. A band stand should also be erected.

West-Gould—That as the hour is getting late the consideration be held over till Thursday evening.—Carried.

McKay—West... That council adjourn till Thursday evening, June 11, at 8 o'clock.—Carried.

DISTRICT NEWS

Gathered by our own staff of wide-awake correspondents.

Battle River

Friday 19th inst., has been fixed as the date for a monster union picnic of the districts of Battle River, Angus Ridge and Bear's Hill. Has been invited to join, but no answer has been received, but held at B. Grant's or Mr. O. Grady's. A good program of children's sports has been settled on, in which all school children may compete, also an up-to-date article in the line of open ball may be expected. Further definite particulars later; but we think it not too early to drop the reminder baskets, as the picnic is free to all, and a large attendance is expected, should the weather remain so favorable.

Mr. Geo. Hunter, brother of Mr. Martin has been with Mr. Martin through seedling. He arrived from Ontario about a month ago and intends to look up some land shortly.

Messrs. Frank and Ben Schantz with the latter's family, spent Sunday and Victoria Day with relatives here. Ben is reported as having landed some fish proportionate to the fisher.

Will Kourney spent a few days at the Nellis ranch, prior to his leaving with his herd of horses, to the south of Calgary.

Battle River congregation is most fortunate in being provided for the summer with a student of such marked ability as the present characterized by such fluency and precision of language backed by a clearness and arrangement of thought as bespeak for him a most successful future. The attendance at services has been quite encouraging.

New families arrived in our midst and take on Canadian citizenship so quietly that weeks and even months elapse before the news wanders our way. The latest to be guilty of this unostentatious is Byron Grant and family, who arrived from Minnesota some weeks ago and settled on his quarter purchased last fall from P. Kerr, who has moved to town.

Penron Park

A hot day—a glass of beer.

Everything is lovely along the Pipestone, fishing and swimming being the order of the day.

A valuable \$75.00 diamond stick pin was dropped on the beach. Finder will be suitably rewarded when returning the same to Iven Kjos.

A small fishing party visited the park last week, two ladies and one man, after admiring the beautiful and secluded nooks and cozy corners of the park they turned their attention to fishing, not caring to land either pike or pickerel they left the park fully convinced that suckers along the pipestone don't bite.

The Ladies Auction held at Frank Fee's last Monday was a grand success, the society realizing some \$70 which will swell the fund now on hand. All this goes to show that the ladies of this society are workers. The young people enjoyed themselves to their hearts content. A large hall over the machine shed was donated by Mr. Fee for the purpose of the evening. The Jevne Bros.' full string band furnished the music. Everybody had a good time, excepting those who had cross babies.

Hillside

Some of our energetic young Hillsideers enjoyed themselves immensely last week. Bathing etc. seemed to be the order of the time. I prefer to leave unpublished, suffice it to say that one young fellow did not get home until next morning.

Some of our Hillsideers have done a jolly good lot of ploughing through some very rough ground which will eventually pay them well for their hard work. Men:

the word "jolly" is not meant in a libellous sense.

Spirit of Ananias and his spouse have evidently been visiting up this way and some very advanced pupils are the result, it is much to be regretted but facts are facts.
